Forecast For Wales
Issued by Met Office Exeter
at 1600 on Monday 01 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Overnight rain bringing heavy downpours.

This Evening and Tonight:
Initially dry and cloudy although the south will see patchy rain. Rain from the southwest will spread across the country during the night, heavy in parts. Winds increasing along coasts. Minimum temperature 3 deg C (37 deg F).

Tuesday:
Early rain clearing to the northeast will be followed by a dry morning for many. The afternoon will see widespread showers across the country, potential heavy. Mild but windy. Maximum temperature 12 deg C (54 deg F).

Outlook for Wednesday to Friday:
Wednesday will see scattered showers, heavier in the north, with dry intervals. Windy along coasts. Showers and lighter winds on Thursday. Colder on Friday with further showers. Breezy along coasts.
